

“Do not wait;
the time will never be 'just right.'
Start where you stand,

and work with whatever tools
you may have at your command,
and better tools
will be found as you go along.”

George Herbert (1593-1633)
Welsh Poet and Priest

Pupils in a Jesuit school are growing to be **intentional** in the way they live and use the resources of the earth, guided by conscience; and **prophetic** in the example they set to others.

Jesuit schools help their pupils grow by being communities which are **intentional** in their way of proceeding to build-up quality of life; and which are **prophetic** in the way they offer an alternative vision of education and the human person, rooted in the gospel.
